The screenshot shows a web browser window titled "Certification Test Center Look Up" with the URL "cert.psiexams.com/locateall.html". The PSI logo is in the top left, and navigation links for Client Login, Proctor Login, Candidate Exam Portal, Continuing Education, and Support are in the top right. A menu bar includes FAA Testing, FCC Testing, All Other Certification, Find a Test Center, Become a Test Center, and Test Site Support. The "Find a Test Center" section contains instructions and a list of search criteria. A search form is shown with a dropdown menu for "National Alliance of Wound Care (NAWC)", a "Search By State" dropdown, a "200 miles" radius selector, and an "Of your address" field. A "Search" button is highlighted, and a blue banner at the bottom of the form area says "290 results found".
