

## **WCC<sup>®</sup>s Receive Special Pricing for the Updated Pressure Ulcer Prevention and Treatment Clinical Practice Guidelines (CPG)**

The NPUAP recently published an updated Pressure Ulcer Prevention and Treatment Clinical Practice Guidelines (CPG) for wound care clinicians and educators. This 128-page document expands on the Quick Reference Guide (QRG) by providing a summary of the research that supports each recommendation. Don't think of it as just an expanded version of the QRG. It is much more!

A special discount has been extended by the NPUAP to all WCCs for individual guidelines and bulk purchases of 20 or more guidelines. To receive the discount, purchase directly from the NPUAP website, and enter the discount codes below:

- 10% off for non-bulk orders, ordering code **COC**
- 20% off for orders of 20 or more books, ordering code **BULKCOG**

**This special discount applies only to WCCs.** The NPUAP has asked that these special discount codes not be shared with any other organization or individual other than a WCC. Go to [www.npuap.org](http://www.npuap.org) or click on the following link: <http://nationalpres750.corecommerce.com/cart.html> and enter the discount codes provided above.
