Content of Examination

The Nutrition Wound Care Certification Examination is an objective, multiple-choice test consisting of up to 100 questions and is available in a computerized format or paper & pencil format with a total testing time of two (2) hours.

The questions for the certification examination are prepared by the NAWCO® Certification Committee and teams of Subject Matter Experts (SMEs). The examination questions are written to assess cognitive levels of knowledge, comprehension, application and analysis related to skin and wound nutritional management.

The content for examination questions is based upon job practice analyses conducted to ensure the content is current, job-related and representative of the responsibilities of wound care practitioners. Each question is subjected to editing for grammar, bias, and technical adequacy by experts from the testing agency.

The passing point is determined by the Certification Committee relying on recommendations from standard setting procedures conducted by NAWCO®'s psychometric vendor, Alpine Testing Solutions. The standard setting method applied by NAWCO® is a criterion-referenced process that involves a committee of subject matter experts making judgments about the difficulty of each exam question relative to a defined level of performance for the minimally qualified candidate.

NAWCO® has established a formally documented program under which individuals may take examinations to demonstrate competence relating to their proficiency in skin and wound management. This program includes the NWCC™ professional Wound Care Certified certification credentials. Successful participants in this program may become authorized to use the NWCC™ certification.

Definitions

Applicant means the individual who, in consideration for being allowed to take the certification examinations offered by NAWCO®, agreed to the terms of this NAWCO® Certification Program Candidate Agreement (“Agreement”).
Marks means the service mark and logo pertaining to the certification credential NWCC™ that the Applicant has completed.

Nondisclosure

Applicant shall not disclose to any third party or use any information concerning any certification examination of NAWCO®, including, but not limited to questions, form of questions, or answers. The foregoing obligations of nondisclosure and nonuse are binding on Applicant until such time, if ever, as the specific information covered by the obligations are made generally available to the public. The foregoing obligations of nondisclosure and nonuse shall survive termination or expiration of this agreement and all NAWCO® certification programs for any reason. Further, any reported incidence of disclosure of exam item content will be fully investigated by the NAWCO® as a Breach of Contract and Copyright Infringement, and shall result in immediate termination of the individual’s NWCC™ Credential.

Certification

Applicant’s certification credential is based on Applicant’s successful completion of the required

testing and Applicant’s compliance with this Agreement and the requirements described in the corresponding NAWCO® trademark guidelines, the terms of which are incorporated herein by reference and which may be changed from time to time by NAWCO® in its sole discretion. Applicant acknowledges that NAWCO® has the right to change at any time the requirements for obtaining or maintaining any certification and/or to discontinue any certification is NAWCO®’s sole discretion. Once certification is granted, Applicant may maintain Applicant’s certification by completing, within the time frame specified by NAWCO®, all continuing certification requirements, if any, that correspond with Applicant’s NWCC™ credential. Applicant is responsible for keeping Applicant informed of NAWCO®’s continuing certification requirements and for maintaining Applicant’s certification. If Applicant does not complete the continuing certification requirements within the time frame specified by NAWCO®, Applicant’s certification for that credential will be revoked without further notice, and all rights pertaining to that certification (including the right to use the applicable Marks) will terminate. Applicant retains Applicant’s certification status if Applicant leaves Applicant’s current employment and/or begins working with a new organization. However, Applicant may not transfer Applicant’s certification status to another person. Applicant agrees to discontinue use of the NWCC™ credential and promotion of the certification immediately upon expiration, suspension or withdrawal of certification.

Applicant further swears to notify the NAWCO® in writing within 10 business days if they learn they are no longer eligible to hold the NWCC™ credential, such as in the event of suspension, placement of restrictions upon or revocation of the primary professional license. In the event of revocation of the credential, the applicant agrees the printed copy of the certification certificate will be destroyed.

NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NAWCO® HAS THE RIGHT NOT TO GRANT, CONTINUE, OR RENEW APPLICANT’S CERTIFICATION IF NAWCO® REASONABLY DETERMINES THAT APPLICANT’S CERTIFICATION OR

USE OF THE CORRESPONDING MARKS WILL ADVERSELY AFFECT THE NAWCO®. THIS AGREEMENT APPLIES TO NWCC™ CERTIFICATION OBTAINED BY APPLICANT.

Grant and Consideration

Subject to the terms and conditions of this Agreement, NAWCO® grants to Applicant a non-exclusive, personal and nontransferable license to use the Marks solely in connection with providing services corresponding to the certification credential Applicant has achieved. Applicant may use the Marks on such promotional, display, and advertising materials as may, in Applicant's reasonable judgment, promote the services corresponding to Applicant's certification credential and which are permitted by the terms of the NAWCO®'s trademark guidelines corresponding to the certification credential. Applicant may not use the Marks for any purposes that are not directly related to the provision of the services corresponding to Applicant's particular certification. Applicant may not use the Marks of NWCC™ unless Applicant has completed the certification requirements for the NWCC™ certification credential and has been notified by NAWCO® in writing that Applicant has achieved certification status of NWCC™. NAWCO® reserves the right to revise the terms of this Agreement from time to time. In the event of a revision, Applicant's signing or otherwise manifesting assent to a new agreement may be a condition of continued certification.

Term and Termination

Term-This Agreement will commence immediately upon Applicant's acceptance of the terms and conditions of this Agreement prior to taking a certification examination. Either party may terminate this Agreement without cause by giving thirty (30) days or more prior written notice to the other party. Termination by NAWCO® - Without prejudice to any other rights it may have under this Agreement or in law, equity, or otherwise, NAWCO® may terminate this Agreement upon the occurrence of any one or more of the following events ("Default"):

1. If Applicant fails to perform any of Applicant's obligations under this Agreement;
2. If any Government agency or court finds that any services as provided by Applicant

are defective or improper in any way, manner or form; or

3. If actual or potential adverse publicity or other information, emanating from a third party or parties, about Applicant, the services provided by Applicant, or the use of the Marks by Applicant causes NAWCO®, in its sole judgment, to believe that NAWCO®'s reputation will be adversely affected. In the event of a Default, NAWCO® will give Applicant written notice of termination of this Agreement.
4. Applicant fails to meet recertification criteria prior to expiration date of their credentials.

In the event of a Default under (2) or (3) or above, NAWCO® may immediately terminate this Agreement with no period for correction and without further notice. In the event of a Default under (1) or (4) above, or at NAWCO®'s option under (2) or (3) above, Applicant will be given thirty (30) days from receipt of notice in which to correct any Default. If Applicant fails to correct the Default within the notice period, this Agreement will automatically terminate on the last day of the notice period without further notice.

Effect of Termination

Upon termination of this Agreement for any reason, Applicant will immediately cease all display, advertising, and other use of the Marks and cease all representations of current certification. Upon termination, all rights granted under this Agreement will immediately and automatically revert to NAWCO®.

Conduct of Business

Applicant shall: exercise its independent business judgment in rendering services to Applicant's customers; avoid deceptive, misleading, or unethical practices which are or might be detrimental to NAWCO® or its products; and refrain from making any representations, warranties, or guarantees to customers on behalf of NAWCO®. Without limiting the foregoing, Applicant agrees to not misrepresent Applicant's certification status or Applicant's level of skill and knowledge related thereto.

Indemnification by Applicant

Applicant agrees to indemnify and hold NAWCO® harmless against any loss, liability, damage, cost or expense (including reasonable legal fees) arising out of any claims or suits made against NAWCO® by reason of Applicant's performance or nonperformance under this Agreement; arising out of Applicant's use of the Marks in any manner whatsoever except in the form expressly licensed under this Agreement; and/or for any personal injury, product liability, or other claim arising from the promotion and/or provision of any products or services by Applicant. In the event NAWCO® seeks indemnification under this Section, NAWCO® will notify Applicant in writing of any claim or proceeding brought against it for which it seeks indemnification under this Agreement. In no event may Applicant enter into any third party agreements which would in any manner whatsoever affect the Rights of, or bind, NAWCO® in any manner, without the prior written consent of NAWCO®. This Section shall survive termination or expiration of this Agreement and all NAWCO® certification programs for any reason.

Disclaimer of Warranties; Limitation of Liabilities

NAWCO® makes, and Applicant receives, no warranties or conditions of any kind, express, implied or statutory, related to or arising in any way out of any certification examination, any NAWCO® certification program, or this Agreement. NAWCO® specifically disclaims any implied warranty of merchantability, fitness for a particular purpose and non-infringement of any third party rights. In no event shall NAWCO® be liable for indirect, consequential, or incidental damages (including damages for loss of profits, revenue, data, or use) arising out of this Agreement, any NAWCO® certification program, or incurred by any party, whether in an action in contract or tort, even if NAWCO® has been advised of the possibility of such damages. NAWCO®'s liability for damages relating to any certification examination, any NAWCO®

certification program, or this Agreement shall in no event exceed the amount of application fees actually paid to NAWCO® by Applicant. Some jurisdictions do not allow limitations of the liability so certain of these limitations may not apply; however, they apply to the greatest extent permitted by law. Applicant acknowledges and agrees that NAWCO® has made no representation, warranty, or guarantee as to the benefits, if any, to be received by Applicant from third parties as a result of receiving certification. This Section shall survive termination or expiration of this Agreement and all NAWCO® certification programs for any reason.

General Provisions

Wisconsin law, excluding choice of law provisions, and the laws of the United States of America govern this Agreement. Failure to require compliance with a part of this Agreement is not a waiver of that part. If a court of competent jurisdiction finds any part of this Agreement unenforceable, that part is excluded, but the rest of this Agreement remains in full force and effect. Any attempt by Applicant to transfer or assign this Agreement or any rights hereunder is void. Applicant acknowledges and agrees that Applicant and NAWCO® are independent contractors and that Applicant will not represent Applicant as an agent or legal representative of NAWCO®. This Agreement and all documents incorporated herein by reference are the parties' complete and exclusive statement relating to their subject matter. This Agreement will not be supplemented or modified by any course of dealing or usage of trade. Any modifications to this Agreement must be in writing and signed by both parties. Applicant agrees to comply, at Applicant's own expense, with all statutes, regulations, rules, ordinances, and orders of any Governmental body, department, or agency which apply to or result from Applicant's rights and obligations under this Agreement.
