

National Alliance of Wound Care and Ostomy®

Wound Care Certified® (WCC®) Credential Accredited by the National Commission for Certifying Agencies (NCCA)

The National Alliance of Wound Care and Ostomy® receives elite accreditation for the leading wound care credential in the United States.

SOMONAUK, IL, May 15, 2019 -- The National Alliance of Wound Care and Ostomy (NAWCO®) is proud to announce that the National Commission for Certifying Agencies (NCCA) has accredited the [Wound Care Certified \(WCC\) Credential](#) for five years, expiring in May 2024. The accreditation demonstrates that the program meets NCCA's rigorous *Standards for the Accreditation of Certification Programs*, designed to ensure high quality in the certification industry.

According to Cindy Broadus, RN, BSHA, LNHA, CLNC, CHCRM, WCC, DWC, OMS, Executive Director of NAWCO, “We’re excited that NCCA has conferred this prestigious designation upon our multidisciplinary wound care certification. Accreditation reflects our program’s adherence to the stringent expectations set by NCCA, which include not only the highest level of professional excellence but also ethical practices.”

NCCA is the accrediting body of the Institute for Credentialing Excellence (formerly the National Organization for Competency Assurance). Since 1977, the NCCA has been accrediting certifying programs that meet and exceed modern standards of practice in the certification industry.
